

Welcome to Gwinnett Community Bank and Online Banking!

This application must be filled out completely in order to begin using the Online Banking system. You must present this completed application in person, via mail, email, or fax to Gwinnett Community Bank and your account will be active the following business day. Every effort will be made to give you one of the user codes that you specify. If all three are unavailable, you will be assigned a similar username. When your account is available online, you will receive a confirmation email to the address provided below that will contain your username and temporary password. To get started, go to www.gwinnettcommunitybank.com, and follow the links to Online Banking.

Please provide a security question, and the answer to that security question. In the event that you need support related to your Online Banking access, you will be asked the question. Providing the correct answer will serve to confirm your identity. If you are unable to answer the question correctly, you must come into The Bank for identity verification. This security measure is for the protection of Gwinnett Community Bank account holders. The question and answer should be something that helps to identify you, but that would be difficult for others to guess. Examples of secret questions include: What is your mother's maiden name? What is your dog's name? What city were you born in? What is your favorite color?

Security Question: _____

Security Answer: _____

Please provide your first three choices for your Access ID (username).
